IMPORTANT INFORMATION ABOUT REVIEWING YOUR STATEMENT

You are responsible for promptly examining your statement each statement period and reporting any irregularities to us. The periodic statement will be considered correct for all purposes and we will not be liable for any payment made and charged to your Account unless you notify us in writing within certain time limits after the statement and checks are made available to you. We will not be liable for any check that is altered or any signature that is forged unless you notify us within thirty (30) calendar days after the statement is made available. Also, we will not be liable for any subsequent items paid, in good faith, containing an unauthorized signature or alteration by the same wrongdoer unless you notify us within thirty (30) calendar days after the statement is made available. If you have requested us to hold your Account statements, we have the right to mail your statements if you have not claimed them within thirty (30) calendar days. If we truncate your checks or provide you with an image of your checks, you understand that your original checks will not be returned to you with your statement. You agree that our retention of checks does not alter or waive your responsibility to examine your statements or change the time limits for notifying us of any errors.

IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR ELECTRONIC TRANSFERS

Write us at One E Washington Street, Suite 1400, Phoenix, AZ 85004, telephone us at (888) 734-4567 or E-mail us at info@allianceassociationbank.com as soon as you think your statement or receipt is wrong or if you need more information about a transfer on this statement. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared. In your letter:

- Tell us your name and account number.
- Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
- Tell us the dollar amount of the suspected error.

We will investigate your complaint and will correct any error promptly. If we take more than 10 business days to do this (or 20 business days for a new account), we will credit your account for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation.

METHOD USED TO DETERMINE THE BALANCE ON WHICH THE INTEREST CHARGE WILL BE COMPUTED

Revolving Lines of Credit- We figure the interest charge on your account by applying the periodic rate to the "daily balance" of your account for each day in the billing cycle. To get the "daily balance" we take the beginning balance of your account each day, add any new advances and fees and subtract any unpaid interest charges and any payments or credits. This gives us the daily balance.

The Annual Percentage Rate and Daily Periodic Rate may vary.

IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR STATEMENT

If you think there is an error on your statement, write to us at: Western Alliance Bank, Credit Support Dept., One E Washington St., Suite 1400 Phoenix, AZ 85004.

In your letter, give us the following information:

- *Account information:* Your name and account number.
- *Dollar amount:* The dollar amount of the suspected error.
- *Description of Problem:* If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement. You must notify us of any potential errors *in writing*. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question. While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

NOTICE OF FURNISHING NEGATIVE INFORMATION- We may report information about your account to credit bureaus. Late payments, missed payments, or other defaults on your account may be reflected in your credit report.
